## He Is Risen Indeed!

April was a special time, not only did we have the privilege of gaining two more ministry partners, but we were also able to spend time with family as we celebrated the resurrection of our Savior. While we are always thankful for time spent with family, we are especially thankful for the opportunity to spend time with our unchurched and unsaved family members. We took advantage of this time to encourage unchurched family, and witness to those in our family who have yet to experience the hope and freedom found in Christ alone. It is always a good reminder that, as Christians, our first mission field is in our own home.

## Support Progress

Praise God for the progress we have made in raising the support needed to live and serve in Chile. We have 15% received as regular monthly contributions, with an additional 5% promised.

## Booking Calendar

Late summer and fall are solidly booked. We still have some open dates in June and July, but we are excited for the opportunities we will have this summer to present in churches in Michigan, Ohio, and Missouri.
