Chilean Church Update

It is so exciting to see how God has grown and stretched the Chilean leaders in El Camino Bible Baptist Church, the church where we will start serving in Santiago. Since July 2020, Jon's parents Joel and Wendy have been stuck stateside due to Covid lockdowns and visa issues. In their absence, we have seen Chileans step up, fill in the gaps, and serve in the church like never before. While it was never their plan to be out of the country for so long, it is obvious that God has used this time to prepare the national leaders, as they take what they have been trained to do and put it into practice. We are thankful for the technology that has allowed Joel and Wendy to still be active in teaching and counseling in Chile, but they are still needed in person as the nationals continue to be disciplined and trained. Please pray with us that they will be able to fly out on Saturday, June 4th. They will fly stand-by, so pray seats will be open for them and for safety as they travel.

Deputation Trail Updates

It was only a couple months ago that we were looking at a completely empty calendar for May-July. But Praise God our summer has turned busy! May has taken us from Michigan, down to South Carolina, Missouri, back up to Michigan, then Indiana and Ohio. Various churches, retreats, camps, and Advanced Missions Training will take up the rest of our summer and we are thankful for all the opportunities to share our burden for the people in Chile.
