Reunions and Birthdays

This month we were blessed to have been able to present our ministry at First Baptist Church in Louisville Ohio, attend the BBFI Missionary Family Reunion, and celebrate Isaiah's 15th birthday.

This was the first time Olivia and the boys were able to attend the family reunion. The week was so encouraging for us and we want to thank all the churches that gave towards the reunion. We are especially thankful for the week's impact on Isaiah. The teaching and connections with other missionary kids really encouraged him. By the end of the week he told us "I feel a lot better about being a missionary kid now than I did before." Continue to pray for Isaiah and Benaiah as they adjust and grow in faith.

Deputation Trail Updates

July begins an incredibly busy five months for our family. By the end of the month, we will be on a long deputation trek, putting thousands of miles on our car, passing through a dozen states, and presenting our ministry to many church families. This busy time is a huge answer to prayer as God has filled our calendar with bookings at churches and we get closer to arriving on the field.
