New Year, New Blessings

The Lord has blessed and been so gracious to us in this new year. We have had the privilege of presenting our ministry in Westlake Baptist Church, Shreveport, LA; Primera Iglesia Bautista Hispana, Texarkana, TX; Trinity Baptist Church, Denver City, TX; and we were apart of a missions conference with Broadway Baptist Church, Sweetwater, TX.

Primera Iglesia Bautista Hispana is a bilingual Spanish/English church and I had the opportunity to practice my language skills by preaching in both languages at the same time. This was my first time doing this type of simultaneous translating in my sermon and it went well. Olivia is still learning Spanish, but she loves visiting Spanish congregations as it motivates her to continue in her language studies so that some day she too can share the gospel in the heart language of the Chilean people.

VBS Time in Santiago!

January is mid summer in the southern hemisphere, which means it's time for VBS! The church in Santiago has been able to do short outdoor summer programs in the past, but now that they are moved in to their new building, they were able to have their very first Vacation Bible School! They did an Olympics theme, with the five Olympic rings representing the colors of the Wordless Book. It is exciting to see new church members get involved in serving!
