Almost There

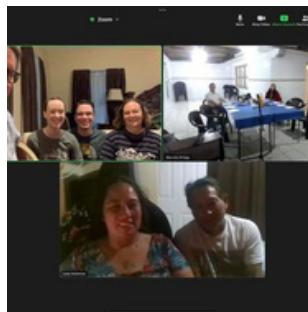

We are so thankful for every opportunity to do one of the things we love most- share our burden for the people of Chile. This month we were blessed to share our ministry with church families in South Carolina, Florida, Texas, and Alabama. While we love talking about Chile, we are so excited to soon be on a plane to Chile, doing the work God has called us to do. During the last 15 months that we have been on the road we have presented our ministry in 66 churches, most of whom are now our partners in ministry. Praise the Lord we now have 70% of the monthly support we need to live in Chile.

Our prayer is that we will be able to fly to Chile in three months. Please pray for us as we raise the rest of our needed support. The closer we get to Chile the more we have felt the fiery darts of our enemy and the harsher the attacks he wages on our family. We know Satan does not want us going to Chile and sharing the gospel in the stronghold he has established in Santiago. Pray for our safety, pray for our health, and pray for our children as we continue on the path God has laid for us.

(Left) We really loved participating in the Heaven Train ministry while we were with Capital City Baptist Church in Columbia, SC.

(Right) We got to be a part of a ZOOM Bible study with some members of the Chilean church.
