Showers of Blessings

What a month it has been to declare the glory of the Lord and praise His marvelous works! While we had the blessing of celebrating Easter with our home church in Springfield, Missouri, the church in Santiago celebrated Resurrection Sunday with a baptism service. Ten people made this public declaration of faith! We are so excited for how the Lord is moving and working in Chile and we cannot wait to be a part of it!

The joy of a new life in Christ, displayed by one of the women baptized on Easter in Santiago.

While our hearts are already in Chile, we have continued to be faithful during our time here in the States. We have visited churches in Florida, Missouri, Illinois, and Oklahoma, and have gained several new ministry partners! We currently have 75% of the monthly support we need to live and serve in Chile, with more support promised. More importantly, we have seen one salvation and been able to talk with multiple young people who are feeling the call of God to missions! Earlier this month, our youngest son Benaiah prayed "Lord I pray so many people get saved and become missionaries that the harvest will be few and the workers plenty!" The Lord is still saving and He is still calling!

As we approach the end of deputation, please continue to pray for us. Pray for full calendars, health for our family, and wisdom as we work through the process of moving.
